VISIONS

Vision comes from the mind,
Teamwork leaves your fears behind.
If you don't take the time to
Try and make it right.
You'll never get out of the darkness
And endless fights.
To find the light ahead
You must be completely out of darkness.
In order to move into the light
You must find the source.
The path that you choose
May lead you astray.
But if you try, try again,
You will soon find your way.
Today is the present,
We must all take a stand.
For the future is a vision
That lies in your hands.

Class Of 1995 Dedicates The Yearbook To Mr. Richard Parthum

Lawrence High School's Class of 1995 dedicates its yearbook to Mr. Richard Parthum. Mr. Parthum served Lawrence High School for nearly seventeen years. His move to Principal of the Oliver School this year has not interrupted his loyalty to us.

Mr. Parthum was a 1964 L-Pin graduate of Lawrence High School and received a Bachelors Degree from the University of Massachusetts in 1969. That same year he began to teach at the Wetherbee School while continuing his education at Salem State College where he received his Masters Degree in 1974.

In 1977 (the year that most of the class of 1995 were born) Mr. Parthum began a career at Lawrence High School as Assistant Principal. During his years here he served as interim Athletic Director, Junior Varsity Basketball Coach, and was on the city-wide Discipline committee which rewrote the school discipline code. He still serves as Cross Country and Track Coach for Lawrence High School.

Mr. Parthum was greatly devoted to the class of 1995. He was always there to give support to our class in activities such as Spirit Week, the Sophomore Banquet, and the Junior Prom.

Both Mr. Parthum and the students of Lawrence High School will hold in our hearts many fond memories of his time spent here. We will always see him as a valued friend who will carry on our Lancer Pride.

The class of 1995 thanks Mr. Parthum for devoting his time and hard work helping to make us who we are today.
